

Guns, Crime, Safety, Justice and Harm: Fall 2017

Memo

September 4, 2017

This memo indicates who is facilitating which discussion on which days.

Each person was assigned a random number from 1-100, and sequenced to the class dates in that order.

That schedule appears below.

Ms. Gesser is being asked to facilitate just one discussion; as of this date she is auditing the class

I will let you know if there are changes.

If you need to alter one or more of your assigned dates, please let me know and we go from there.
